"PLANT WITH NEWARK, NEW YORK NURSERY STOCK"

F. J.
Grootendorst

A New Rugosa Rose
of Exceptional
Merit

A new Hybrid Rugosa. True Rugosa foliage; blooms bright crimson, in clusters, blooming from early Spring to frost; strong but compact. Particularly suitable for hedging and mass planting. Distinct, different, the only one of its kind.

We recommend it highly.

Each Doz.
XXX Size only.. \$1.75 \$20.00

F. J. Grootendorst.

Paul's Scarlet

A new hardy Rose of the most vivid, bright red in any Climbing Rose. Blooms in clusters of half double flowers which are conspicuous for both size and brilliance. Very hardy. Should be in every garden.

A Group of Hybrid Tea or Monthly Blooming Roses

Bloom From June Until Frost

One each of the above six Roses for only
\$11.00

Offered in the XXX Size and for Spring Delivery Only

Hall's Japan
Honeysuckle.
\$1.25 each; \$14.00
per dozen.

Clematis Paniculata.
\$1.00 each; \$11.00 per dozen.

Purple Wisteria.
\$1.50 each; \$17.00 per dozen.

Clematis Paniculata

Makes a very vigorous growth, growing 20 to 30 feet in height. In late August and September it is a perfect mass of dainty, small, white, star-like flowers which are very fragrant. Blooms are followed by attractive, silver-white seed pods. Very hardy.

Hall's Japan Honey-suckle

An old favorite. Of vigorous growth, with evergreen leaves, pubescent on both sides when young, and fragrant white flowers changing to buff in the Fall.

Wisteria, Purple

Wonderful for use on pergola, porch or trellis. Attractive foliage and magnificent, dense, drooping clusters of pea-shaped, purple flowers in May, with sometimes a second crop of bloom in August or September.

Perennial Group No. 1

12 Hardy Perennials (2 of each shown on this page) for only... \$6.25

6 Hardy Perennials (1 of each shown on this page) for only... \$3.40

German Iris

One of the most dependable plants and very decorative in the garden. Fine in clumps and borders, in fact, most anywhere. Bloom late in May and last into June and are in various shades.

Anchusa Italica (Alkanet)

Grows to a height of 3 to 5 feet; has rough leaves and stems; branches freely, each branch terminating in a large pyramidal spike of brilliant, blue flowers. Blooms in May and June. Of easy culture.

Hibiscus, Crimson Eye

Immense flowers of purest white with large centers of velvety crimson. Blooms profusely all Summer.

Digitalis (Foxglove)

One of the most popular old-fashioned plants. Stalks grow to about three feet. Bloom in July and August. Should be in every planting.

Delphinium

(Larkspur)

One of our most showy and attractive plants. They are fine among the shrubbery and for sections of borders. Long blooming season. They come in various shades and increase in size and beauty every year.

Anemone Japonica

(Windflower)

A hardy, decorative, free flowering perennial, 2 to 3 feet high, blooming from August until late Fall. One of the best Fall-flowering perennials. We have two varieties: Queen Charlotte, with very large semi-double, rose-pink flowers, and Whirlwind, with large semi-double pure white flowers.

Anemone Japonica.
75c each; \$8.00 per dozen.

Anchusa Italica.
60c each; \$6.00 per dozen.

Digitalis—Foxglove.
60c each; \$6.00 per dozen.

Hardy Delphiniums.
60c each; \$6.00 per dozen.

Hibiscus, Crimson Eye.
75c each; \$8.00 per dozen.

Perennial Group No. 2

12 Hardy Perennials (2 of each shown on this page) for only..... \$6.40

6 Hardy Perennials (1 of each shown on this page) for only..... \$3.50

Achillea, "The Pearl."
60c each; \$6.00 per dozen.

Achillea, The Pearl

One of the finest of the white-flowering border plants. Also fine for cutting. About 2 feet high, producing fine, white flowers in profusion during the entire Summer.

Aquilegia

(Columbine)

Blooms from June till August. Height 2 feet. Flowers are red and yellow, held gracefully on long stems. A strong grower and free bloomer.

Gaillardia

(Blanket Flower)

A gorgeous perennial. Blossoms in June and will continue all Summer if frequently cut. About two feet high. A hard center of deep maroon is bordered by petals of orange and yellow, ringed by circles of crimson, red and maroon.

German Iris

See opposite page for description.

German Iris. 50c each; \$5.00 per dozen.

Gaillardia.
60c each; \$6.00 per dozen.

Aquilegia.
60c each; \$6.00 per dozen.

Sweet William.
75c each; \$8.00 per dozen.

Sweet William

One of grandmother's favorites, and still going strong. About 18 inches high, very hardy. Produces large, flat clusters of flowers of various colors.

Coreopsis

One of the most satisfactory hardy plants for steady bloom from June on. Flowers of rich, golden yellow and of good size. A strong grower.

Coreopsis.
60c each; \$6.00 per dozen.

Phlox

One of the very best bedding plants. Good in beds, borders, along paths, and in clumps in shrubbery, especially in the red and scarlet shades. We have fine varieties in white, pink, scarlet, crimson, lilac, lavender and blue. They thrive everywhere, get stronger each year, and have no insect enemies. They have a long blooming season and are decorative everywhere.

Eulalia Gracillima

(Hardy Grass)

A Japan Rush, with narrow green leaves with a silvery white midrib. Very hardy and decorative in clumps in a large border or in front of the tall shrubbery bed.

Hardy Garden Pinks

No garden is complete without some of these spicy favorites. They have a perfume all their own. Are fine for cutting in mid-summer.

Tritoma (Flame Flower)

Also sometimes called Red Hot Poker. The spikes are of gigantic size, frequently $4\frac{1}{2}$ feet high, and with heads of bloom over 12 inches long, of a brilliant orange-scarlet, shading to salmon - rose on the edge.

Tritoma—Flame Flower.
\$1.00 each; \$11.00 per dozen.

Eulalia—Hardy Grass. 75c each; \$8.00 per dozen.

Hardy Garden Pinks.
60c each; \$6.00 per dozen.

Yucca

A hardy, evergreen plant. Blossoms on a tall stalk, which terminates in branching spikes of beautiful, creamy white, bell-shaped flowers. Midsummer.

Helianthus

(Hardy Sunflower)

Flowers are large, from light to deep yellow. Fine for large borders. Blooms in September and October, when flowers are scarce, and is therefore prized for cutting.

Shasta Daisies

A fine plant for any hardy garden. Blossoms white, and when at their best are sometimes three and four inches across, and are very desirable for cutting.

Hollyhocks

Fills a place all its own. No other perennial grown is so decorative, so majestic and so stately. It is indispensable in formal plantings, is useful in backgrounds for lower plants, in clumps in large borders, at entrances, in beds in large grounds, on hillsides, in fact almost everywhere. Grows 6 to 8 feet tall, and is in various colors. Should be in every planting for its decorative artistic effect.

Double Flowering Hollyhocks.
60c each; \$6.00 per dozen.

Our Special Hollyhock Group

1 Red	1 White
1 Pink	1 Yellow

60c each; \$6.00 per dozen.

Shasta Daisy.
60c each; \$6.00 per dozen.

Special Shrub

One each of these six beautiful shrubs shown on this and opposite page for only

\$6.50

Butterfly Bush.
\$1.00 each; \$11.00 per dozen.

Deutzia Crenata.
\$1.25 each; \$14.00 per dozen.

Butterfly Bush or Summer Lilac

3 to 5 feet. Blooms continually from July until frost, bearing long, slender, arching spikes of light blue, lilac-like flowers.

Calycanthus

Has large glossy leaves with straight, strong, reddish brown branches. Chocolate colored blossoms. Wood, flower and leaves give off a sweet, spicy, strawberry-like fragrance.

Deutzia Crenata

A beautiful white, single-flowered variety. Bears a mass of scented flowers early in June. Blossoms last a long time. Fine for cutting.

Calycanthus.
\$2.50 each; \$29.00 per dozen.

Group No. 1

These shrubs are usually less than five feet tall when fully grown.

Coralberry

(*Symporicarpos vulgaris*—Red-Fruited Snowberry)

Fine foliage, slender, graceful bending branches, and dainty, pink blossoms in June and July are followed by thick clusters of small red berries which last well into the Winter.

Spirea Anthony Waterer

Crimson flowers in July. The shrub is small, compact; foliage green and dense. Fine in front of taller shrubbery. Spirea Van Houttei with Anthony Waterer in front makes a combination which cannot be beaten.

Snowberry

(*Symporicarpos racemosus*—White-Fruited Snowberry)

Dainty small pink flowers in June and July, which in August form into pure white, waxy berries. An excellent shrub for grouping and massing. Very hardy, does well in shade.

Red-Fruited Snowberry or Coralberry.
\$1.00 each; \$11.00 per dozen.

White-Fruited Snowberry.
\$1.25 each; \$14.00 per dozen.

Spirea Anthony Waterer.
\$1.25 each; \$14.00 per dozen.

Spirea Van Houttei. \$1.00 each; \$11.00 per dozen.

Syringa Coronarius or Mock Orange

This is the familiar "Mock Orange." Bears very fragrant creamy white flowers in May and June. A fine, hardy shrub.

Syringa Coronarius—Mock Orange.
\$1.25 each; \$14.00 per dozen.

Special Shrub Group No. 2

Shrubs about 6 to 8 feet in height when fully grown
One each of these six attractive Shrubs
for only \$7.00

Spirea Van Houttei

The favorite Spirea. So well known it requires no description.

SPECIAL 6 Spirea
Van Houttei, \$5.00

Deutzia, Pride of Rochester

Showy clusters of white flowers
tinged with pink in May and June.

Weigela Rosea

One of the choicest of all shrubs.
Highly decorative and very hardy.

Althea or Rose of Sharon

Blossoms late in season when
blooms are scarce. May be had
with bloom of either white, pink,
red, blue or purple.

Bush and Flower of Weigela Rosea.
\$1.50 each; \$17.00 per dozen.

Tartarian Bush Honeysuckle

Bears a profusion of small, fragrant
blossoms in May and June, followed by
orange or red berries, which frequently
last into early Winter.

Althea, Rose of Sharon.
\$1.25 each; \$14.00 per dozen.

Tartarian Bush Honeysuckle.
\$1.25 each; \$14.00 per dozen.

Special Shrub

Shrubs usually over 8 feet in height when fully grown and are especially adapted where a high screen is desired.

Purple Lilac.
\$2.00 each; \$23.00 per dozen.

Purple Lilac

Purple flowers are scarce, hence the advisability of planting this old favorite.

Spirea Aurea

Very vigorous. Large, white blossoms in June. Fine for screens.

Syringa Grandiflora

A strikingly showy shrub. Has white blossoms in June, followed by large red seed pods lasting throughout July.

Syringa Grandiflora.
\$1.25 each; \$14.00 per dozen.

Spirea Aurea.
\$1.25 each; \$14.00 per dozen.

Group No. 3

One each of this group of five shrubs shown on this and opposite page for only

\$6.25

Tamarix

A strangely beautiful shrub. Blossoms in April, flowering profusely in delicate feathery sprays of light pink and white blossoms. Handsome even when out of flower on account of its fine feathery foliage.

Tamarix.
\$1.25 each; \$14.00 per dozen.

Forsythia Fortunei Flower.
\$1.00 each; \$11.00 per dozen.

Forsythia Fortunei

Small, yellow blossoms before its leaves are out. Hardy and profuse bloomer. One of the first shrubs to bloom in the Spring.

Forsythia Fortunei Bush.

Spirea Billardi

Dense spikes of exquisite pink flowers in July and August. Has second but less profuse blooming period in Fall. One of the most popular Spireas.

Honeysuckle Morrow's

Has pure white flowers which change to yellow tones in May and June. These are followed by a multitude of bright red berries which remain from August until Winter. Attracts birds.

Lonicera Morrowi—Morrow's Honeysuckle.
\$1.25 each; \$14.00 per dozen.

Forsythia Viridissima

Compact branches with yellow flowers preceding its leaves. Desirable for massing.

Spirea Billardi.
\$1.25 each; \$14.00 per dozen.

Forsythia Viridissima.
\$1.00 each; \$11.00 per dozen.

Hydrangea Arborescens—Hills of Snow.
\$1.50 each; \$17.00 per dozen.

Hydrangea Arborescens (Hills of Snow)

Becomes a good sized shrub to which the name Hills of Snow may well be applied—a profusion of large, snow-white flowers turning green instead of bronze as do other Hydrangeas. Easily grown in ordinary garden soil and thrives in partial shade, but does best in full sun. It blooms from June till August, when the Paniculata begins. Strong, field-grown plants.

Hydrangea Paniculata Grandiflora

The most popular of all the Hydrangeas. Has immense, cone-shaped, white blossoms which turn to pink. This shrub is the most showy of all in the Fall and therefore very valuable. Is fine as a single specimen plant or in beds or borders. Perfectly hardy in smoky or dusty locations, and also does well in the shady corner.

Hydrangea Paniculata Grandiflora Bush.
\$1.50 each; \$17.00 per dozen.

Spirea Garland. \$1.50 each; \$17.00 per doz.

Spirea Garland

The New Spirea. Its white blossoms give a beautiful mass effect, fully equal to that of the Van Houttei. Wonderful for planting in front of Spirea Van Houttei as it blooms about three weeks earlier, thus giving about six weeks of Spirea bloom. The two grow well together. The bush itself is very attractive, taking on a fine Fall coloring and holding its foliage well throughout the Winter.

Prunus Triloba or Double-Flowering Plum. \$3.00 each.

Syringa Virginialis or Double-Flowering Mock Orange. \$2.00 each; \$23.00 per dozen.

Syringa Virginialis (or Mock Orange)

One of the most beautiful new varieties. A vigorous, tall grower, with very large, double-crested flowers, with round petals. Pure white, sweetly scented clusters of five to seven blossoms.

Prunus Triloba (or Double Flowering Plum)

Native of China. Flowers double, of a delicate pink, upwards of an inch in diameter, thickly set on the long, slender branches; flowers in May.

California Privet Hedge.

California Privet

The most popular Privet for hedges. Untrimmed it will attain a growth of from 6 to 10 feet but it is far more attractive when trimmed to a height of about 3 to 4 feet. A beautiful effect is produced when it is planted in two rows, the plants 12 to 18 inches apart and "staggered." Does well in smoke, dust and shady places.

	Per 100
6 inch size	\$ 7.00
12 inch size	10.00
18 inch size	15.00
2 foot size	20.00

Barberry Thunbergi

The best of all hedges for low, informal effects. One of the hardest of all hedges being especially adapted for planting in cold climates. The foliage is very fine, in the Autumn taking on a gorgeous coloring, and the berries, which remain all Winter, are red and very attractive. Barberry Thunbergi is suitable for many other purposes than hedging. As a foundation planting there is nothing better; it is splendid for covering hillsides; for the shrubbery border; for corner clumps; for bordering driveways and for many other purposes.

Many people who have not had success in growing evergreens for foundation planting or on terraces have used Barberry, which, when it attains a good growth, can be trimmed to any desired shape. We have seen plantings of Barberry trimmed to simulate Arbor-Vitae Globosa, Arbor-Vitae Pyramidalis, Retinispora Squarrosa, and in fact in all symmetrical shapes.
